We keep a finger on the pulse, when it comes to storage of pharmacy, medical records, X-ray, medical collections and supplies.

Medicines should be stored safely and conveniently. Constructor has a number of clever solutions for medicine storage in your pharmacy.

Patient information should be treated in a highly confidential manner. And medical records should be stored safely and conveniently.

Our medical storage solutions all guarantee this security. Likewise, the

laboratory, the domestic service, and the departments involved in special examinations, require specific storage solutions. To support daily routines, or accommodate medical specimens. Your every wish is fulfilled.

Please select your country to read more about our Storage Solutions:
